## "Fame"

Students inspired by ex-pupil Louisa's talk of her journey, starting with Ballet, Tap & Modern with Marisa at the age of 3 to her now being on worldwide tours.

As well as watching the fantastic show students also got the opportunity to watch the company in their pre-show rehearsal class which really showed the importance of a dance and vocal warm up.

## "Workshops"

The school got the opportunity to join in with our ex-pupil Jules for a ballet workshop. Jules went to Elmhurst after training with Marisa. Here's a photo of Jules and wife Natalia demonstrating at our workshop.

## "Baroque Dance Workshop"

Students learnt ballet history and went back in time to join Louis XIII in his ballroom for country dance. This is great for their RAD Ballet classes, as they progress they learn more and start to apply the foundations of 17th Century dancing.

### Silver Swans

Specially designed for older learners, Silver Swans® ballet classes will help improve your mobility, posture, co-ordination and energy levels.

Join Marisa on Thursdays by completing our new registration form found on our website.
